CONDITIONS OF NATURE AND INSPECTION OF PREMISES: I understand that: Rio Vista Farm is not responsible for total or partial
acts, occurrences, or elements of nature that can scare a horse, cause it to fall, or react in some other unsafe way. Some examples are: Thunder,
lightening, rain, wind, wild and domestic animals, insects, reptiles, which may walk, run, or fly near, or bite or sting a horse or person; and irregular footing
on out-of-door groomed or wild land which is subject to constant change in condition according to weather, temperature, and natural and man-made
changes in landscape. The parent or legal guardian have inspected the instructional facilities and are satisfied that all premise conditions are reasonably
safe for rider's intended purpose, usage and presence upon Rio Vista Farm.

NATURE OF THE HORSE: Horseback riding is classified as RUGGED ADVENTURE RECREATIONAL SPORT ACTIVITY, and there are
numerous obvious and non-obvious inherent risks always present in such activity despite all safety precautions. No horse is a completely safe horse.
Horses are 5 to 15 times larger, 20 to 40 times more powerful, and 3 to 4 times faster than a human. If a rider falls from horse to ground it will generally
be at a distance of 3 1/2 to 5 1/2 feet, and the impact may result in injury to the rider. Horseback riding is the only sport where one much smaller, weaker
predator animal, the human, tries to control and become one unit of movement with another much larger, stronger prey animal, the horse, with each
having a limited understanding of the other. If a horse is frightened or provoked it may divert from it's training and act according to its natural survival
instincts which may include, but are not limited to: stopping short; changing direction or speed at will; shifting its weight from side to side, bucking, rearing,
falling, biting, kicking or running from what it perceives as danger.

**WARNING: UNDER TEXAS LAW (CHAPTER 87, CIVIL PRACTICES AND REMEDIES CODE), AN EQUINE
PROFESSIONAL IS NOT LIABLE FOR AN INJURY TO OR THE DEATH OF A PARTICIPANT IN EQUINE ACTIVITIES
RESULTING FROM THE INHERENT RISKS OF EQUINE ACTIVITIES.**
